**LICENSEE'S MOTION FOR A FIELD HEARING
[Title 47 CFR, Chapter I, Subchapter A, Part 1, Subpart B, Sec. 1.253]**

Section 1.253 of the Commission's Rules of Practice and Procedure makes it clear that the Commission has the discretion to order a Field Hearing herein:

§ 1.253 Time and place of hearing.

(a) The Commission will specify the day on which and the place at which any hearing is to commence.

(b) The presiding officer will specify the days on which subsequent hearing sessions are to be held.

(c) If the Commission specifies that a hearing is to commence in the District of Columbia, it shall be moved therefrom only by order of the Commission.

(d) If the Commission specifies that a hearing is to commence at a field location, all appropriate proceedings will be completed at such location before the hearing is moved therefrom. When such proceedings are completed, the presiding officer may move the hearing from the field location specified to another appropriate field location or to the District of Columbia.

I have not the means to travel to Washington, D.C. for any hearings herein. However, I do wish to defend my right to continue to hold a license in the amateur service. If I am required to travel to Washington, D.C. for hearings herein I will be unable to appear and will be unable to obtain due process of law herein.

I therefore request that the ALJ set a field hearing herein in the Sacramento, California area.

I declare under penalty of perjury that the foregoing is true and correct, and that this Petition is signed on March 30, 2017 at Diamond Springs, El Dorado County, California.

Respectfully submitted,
